**Okavango Air Rescue** transports medical assistance directly to you, by helicopter, if you have a medical emergency. We provide a fully equipped helicopter with an emergency Doctor to treat and stabilize you on the spot and take you to the nearest appropriate location from where further arrangements will be made.

Our emergency call center number **"995"** is a short-code emergency Number for use within Botswana. It is available 24 hours to all our **Patrons** in need of help due to an accident or acute illness. For Satellite Phones or International Mobile Phones please call: **+267 686 15 06**

**Okavango Air Rescue** aims to provide around the clock Maun-based service. Botswana Aviation Safety Regulations restrict flying to daylight hours. However, in a life threatening situation we have been granted special permission by Civil Aviation to fly at night, weather permitting. Medical advice will be given in such cases until the helicopter is airborne.

Our current radius of operation is **Northern Botswana** and the **Central Kalahari**.

**OAR** is a private organization. It is financed by the annual subscriptions of its **Patrons**. The **Patron's** contribution is not an insurance premium, but a contribution which helps keeping the helicopter airborne. Additional funds will be sourced, on invoice, from a **Patron's** insurance company after medically necessitated rescue is complete.

As the Patronage System has not been created to work free of charge for insurances, but is purely here to eliminate financial worries and provide fast assistance during an emergency, the **Patron** will never be invoiced by us.

If **Patrons** who have received our assistance do have an insurance, OAR will deal directly with the insurers regarding any payments. This will be the responsibility of OAR and not the **Patron**.

You can become a **Patron** of **Okavango Air Rescue** by paying the following minimum contribution inclusive of 12% VAT:

Botswana Citizens:	125.00 Pula
Botswana Residents:	150.00 Pula
Foreign Tourists:	175.00 Pula

The patronage is valid for one year and starts with your payment. It entitles you to one free medical necessitated rescue annually. If the patronage is not renewed it will expire 12 months after your initial payment. Every **Patron** will be issued with an identifying personal patronage card on receipt of payment.

**We will only fly for Patrons** and patronage is neither transferable, nor refundable!
